PROPHECY-- The Prophetic Judgment Of Sid Roth

"Speak unto My servant, My son. Why does he disobey Me, My son? I told him in My Word not to sell My Word, yet he does it constantly on his show and elsewhere. Why does he disobey Me? Materials must be given away freely, yet he does this constantly. He must be punished, My son, for he refuses to obey Me, yet sins constantly on his show. Tell him his life will end very shortly and stand before Me to account for his wicked deeds. The supernatural does not work in his own life, yet he uses it to earn a good income. That I will punish, for charlatans have no place before Me, but in Hell. Tell him his life will end quickly for disobeying Me, for he refuses to repent. Your LORD has spoken. Amen."

"He is a charlatan."

"He has nothing to offer My people."

"I will punish him forever."

"Thus says the Living God."

"Amen and amen forever!"
